Pay of a substitute Compounder employed in the Female Dispensary at Hassan for 20 days from 11-9-03.

Off^g Senior Surgeon's letter No^{l} 215 dt 11-11-03.

1 In his petition of the 17th July, 1903 to the Apl^t Surgeon, Hassan Dist^t one P. Varadarajulu Naidu, a Compounder of the Hassan Civil Hospital but working in the Female Disp^y at Hassan applied for the grant of 15 days privilege leave to him on some private affairs. The Assistant Surgeon submitted that application to the Senior Surgeon with the remark that no substitute could be spared from the Civil Hospital. The Off^g Senior Surgeon (his personal Apl^t has signed the order) directed that if the services of the Compounder could not be conveniently spared by the Lady Apothecary in charge of the Female Disp^y leave on substitute on full pay for a fortnight might be given to the

applicant. Thereupon the Compounder applied to the Assistant Surgeon for 5 days' leave on substitute and it was granted to him from the 11th September 1903 on the substitute of one P. Yesudas. The leave on forfeiture of pay appears to have been subsequently extended to 15 days. On the 23rd Septr 1903, the Compounder who was on leave and who was then at Bangalore in connection with the treatment of his wife in the Victoria Hospital, put in an application to the Offg Senior Surgeon, ~~applying~~ for the grant to him of a month's privilege leave. The leave applied for by the Compounder was granted, and the 15 days' leave on forfeiture of pay already granted to him was also converted into privilege leave, and included therein. The Offg Senior Surgeon sent a copy of his order granting privilege leave to the Compounder, to the Sub Assistant Surgeon in medical charge of the Hassan Deptt and directed him to request the Deptt Board to pay the substitute. In his letter to the Offg Senior Surgeon No 735 of 19-10-03 the Sub Asstt Surgeon has asked for instructions as to how he should draw the pay of the substitute Compounder as

No 16868 5/10/03

No 16879 5/10/03

as the Distt Fund Board have not agreed to pay for ~~the substitute~~ their.

2. In these circumstances, the Offg Senior Surgeon has forwarded the original Correspondence on the subject and requests the orders of Govt as to how he may meet the pay of the substitute

3. In this Connection, he begs Govt to reconsider their order passed in Govt. Proc: 7840/Mis1239 of 21-11-01, and to sanction the entertainment of a relieving Compounder for each Distt. If this is found not feasible, he requests that sanction may be accorded to meet the pay of substitutes from the Contingencies of the Dispensary to which the Compounder belongs

4 It has not been stated whether or not, there is a Compounder attached permanently to the Female Dispensary at Hassan and why Compounder Varadarajulu Naidu of the ~~Cent~~ Head Qr Hospital was sent to work in that Dispy from the 10-2-02

the Civil Hospital at Hassan was made to work in the Female Dispy at that station and that the Compounder of the Female Dispy was made to work in the Civil Hospital, so that there is a separate permanent Compounder for each of these Institutions. It is also reported that the pay of the substitute was recommended to be met ~~out~~ from the Contingencies of the Dispensary because Compounder Varadarajulu Naidu of the Civil Hospital was actually doing duty at the Dispy. when privelege leave was granted to him

No. G 215

Sir,

In forwarding the accompanying correspondence in original (to be obligingly returned when done with) anent the enter-tainment of a substitute for the permanent Compounder of the Female Dispensary at Hassan, who was granted 1 month privilege leave, I have the honor to request the favor of early orders of Government, being obtained asto how to meet the pay of the substitute. In this connection I beg that Government will be pleas-ed to reconsider their Order No.7840/Mis.1239 dated 21st November 1901, and sanction the entertainment of an additional Compounder to each District Head Quarters Hospital as relieving Com-pounders, as it will obviate all such difficulties like the one under reference. The services of a Compounder in each dispensary are indispensable at all times and as such it is not considered advisable to transfer them temporarily from one place to the other, on account of grant of leave to either of them.

If it is found impracticable to sanction relieving Compounders, I would request the favor of sanction of Government being obtained to meet the pay of substitutes from the contingencies of the dispensary to which the Compounder belongs. I may add that the present system of putting anybne that can be got hold of to do compounding when a Compounder goes on leave is a most dangerous one for very obvious reasons.

Sir,

With reference to docket No.2752 dated 2nd December 1903 anent the pay of a substitute Compounder employed in the Female Dispensary at Hassan, I have the honor to state that P. Varadarajulu Naidu is the permanent Compounder attached to the Civil Hospital Hassan and there is a separate permanent man for the Female Dispensary but in the interests of service, the Compounder of the Civil Hospital was made to do duty at the Female Dispensary and that of the latter at the Civil Hospital and consequently there is only one permanent man for each.

The pay of the substitute was suggested to be paid from the contingencies of the Female Dispensary as the Compounder was actually doing duty at that Institution when privilege leave was
